**Latest Update – March 11, 2011**

## **Interstate 15 Emergency Paving Project**

**Delays are expected to be minimal.**

**San Bernardino County** – Caltrans, along with Granite Construction, will be conducting an emergency paving project at various locations in both directions (one location per day) on Interstate 15 between Kenwood Avenue and Oak Hill Road to repair pavement that was damaged during the recent storms. The lane closures are necessary for repairs to be completed, however two lanes will be available at all times. The following work is expected to be the final repair.

LOCATION	DATE	CLOSURE HOURS	LANE INFORMATION
Southbound I-15 from SR-138 to Kenwood <b>MOVING CLOSURE</b>	Tuesday, March 15	9:00 a.m. to 3:00 p.m.	At least two lanes will be available

Please be aware of construction crews and **SLOW FOR THE CONE ZONE**. *This "Alert" will be updated with new information if project continues due to additional storm damage to pavement.* For more information on this and other Caltrans projects, visit our Web site at **www.caltrans8.info** and click on "News and Document Center."
